

Blankenburg, Ticket and Short Grass Enrich Their Owners by Winning Stake Races at the Aqueduct Track

SHORT GRASS SETS PAGE AND EASILY DEFEATS BORROW

With Pennant Withdrawn He Roms Home Winner of the Brookdale.

TICKET TAKES TREMONT; BLANKENBURG A WINNER

James Rowe, the noted trainer, in charge of the thoroughbreds belonging to Harry Payne Whitney, made a wrong guess yesterday at the Aqueduct track, and as a result he lost the Brookdale Handicap, the feature event of the day. Mr. Rowe had entered Pennant, the five-year-old son of Peter Pan—Royal Rose, which he considers the greatest horse of the century, and Borrow, an aged gelding by Hamburg—Forget. Entered against his horses were the imported Short Grass and the three-year-old colt Achievement, owned by Wilfrid Wain.

With Pennant and Borrow as starters the race seemed at his mercy, but to the surprise of the 8,000 persons who visited the track Mr. Rowe withdrew his champion and depended upon Borrow to carry Mr. Whitney's silk home in front. This is where he erred, for Short Grass showed he was a much better horse than Borrow, and won the stake in easy fashion.

Perfect Ride by Notter. In all of his races here Short Grass has been in the last part of his journey, being outrun by the early pacemakers. So yesterday Mr. Rowe concluded that he should win with Borrow, and he made a perfect ride by the early pacemakers. Short Grass was too good for his mount. When Pennant was withdrawn so was Achievement. This left Borrow and Short Grass to race, and the latter won them. The Whitney horse was giving two pounds by the scale to the imported horse, and as Mr. Rowe had scratched his horse to win. Because of his recent great performances Short Grass was made an odds on favorite at 1 to 2, while 8 to 5 could be had on the Whitney horse.

Slow Pace by Short Grass. As the barrier was released there was no great dash for the lead, as it was usually the case with Short Grass. He was maneuvering for the better position. Neither wanted to set the pace, but Joe Notter, the Keogh and general trainer, who had been in the race, took the lead. But Short Grass didn't act a fast pace as was expected. In fact he loomed along at a snail's pace length and a half in front of the other horses.

Former Hunter a Victor. Blankenburg, a six-year-old gelding that was bought as a two-year-old for \$275 and afterward used as a saddle horse, won the Glendale Steeplechase Handicap in easy fashion. He proved a horse of high quality and was much better than the other horses.

Blanchard's Victory. The third race of the day was the Aqueduct Handicap, a five-furlong race for three-year-olds and up. It was won by the imported Short Grass, who was ridden by Joe Notter. He was a much better horse than the other horses.
